

## Project CY 8609

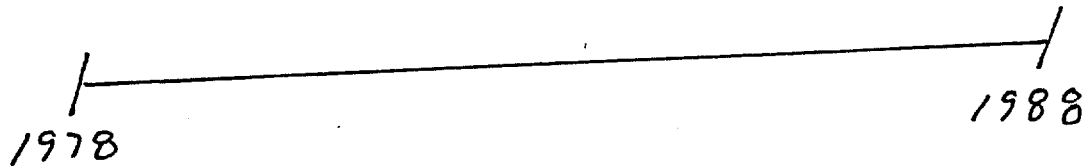

### Task

1. Describe the technical facility located vic:

SG1A

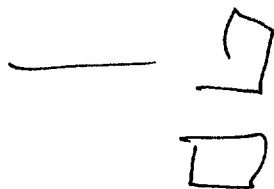

2. Within the following ten year period determine if and when any "special events" occur:

\* Note: If you do find any "special events" - - - subsequent sessions will be focused on each separate "special event."

S4 1/2 Site is non-U.S.; temperate climate old history/heritage (ARL Bk "like Greece"). New + old intermixed.

general  
goal

large  
enterprise

S4 1/2 many people affected. Thrust like a populist ~~movement~~ movement - almost like when a large, demographically homogeneous population begin moving towards a common, large-scale goal (i.e. "like Zionism," or "national liberation," or etc.)

change  
against  
resistance

S4 1/2 objects <sup>rules</sup> & physical manifestations not central. The thrust of it all is more abstract,

5 1/2 people have been sent to Europe, I think they are  
what's best for everybody.

11:06

Site involves structure in an area that mixes old & new in a temperate climate, non-US, reminiscent of Greece; Activity associated w/ site involved ~~people~~ people, representative of a large, demographically homogeneous population moving towards a common, though imperfect goal. One structure associated w/ site seems to be open, rounded, large & solid.
